OT Time Week 8  
3rd March  
2019

A Community of Missionary  
Disciples With Contemplative Hearts

The camera never lies, a photo speaks a thousand words. True, except when photos don't tell the whole story! The amazing photos we shared of our pilgrimage to the Holy Land speak of an incredible adventure, but they don't tell the whole story. Maybe by trying to show how amazing the Holy Land is, we did the experience of pilgrimage a disservice. Despite having amazing pilgrims in our group, this was the most challenging trip to the Holy Land I have made. It has probably been more rewarding because of this, but it was definitely a pilgrimage. A pilgrimage differs from a holiday in that it is a journey to a place to encounter God, not simply to experience the culture or indulge in local cuisine. In encountering God there is always hardship because when God became man in Jesus, his life involved hardship. Any serious journey with God involves hardship alongside delight. A group pilgrimage is where people come together in service and sacrifice to help each other experience the joy of God's love.

We had an amazing time and for me the highlight was being with the pilgrims experiencing the Holy sites for the first time. At each 'site' or place where an event in Jesus's life took place different graces were given, insights were received. To see people experiencing this for the first time is a privilege. I will never tire of seeing or hearing of someone having a 'wow' moment. We also had some amazing fun. Swimming in the Dead Sea was a highlight for me, that was a fun day set up beautifully in the morning by our renewal of baptismal promises in the river Jordan. Many pilgrims would recall the rain storm on the Sea of Galilee as a poignant moment. There were countless moments like that but I would also like to give you a few of the behind the scenes moments that made our journey to the Holy Land a pilgrimage not a holiday!

I went out with a cold which I thought was slightly improving but with a 14 hour door to door journey with not a proper meal and a 5 hour flight my cold seemed somehow to get worse and as it gradually got better over the week the rest of the group seemed to catch it. This led to trips to the pharmacy and some very tired pilgrims, sorry guys! Add to this the unseasonably cold weather which meant that the clothes some of us took were not warm enough, too cold or too hot hotel rooms, lots of rain (again unseasonal) things were not plain sailing. We had a tour guide who seemed to rush us, especially at spiritual moments and then there were the crowds. It seems that with the defeat of Isis and the prolonged 'peace' in Israel over the last few years more pilgrims are flocking to the Holy Land. This meant that for the tomb of Jesus we had to queue for over 2 hours to spend a minute or so reverencing such a Holy place. I have realised that I find queueing exhausting, I think some members of the group would agree!

We had an amazing time and it was a joy to bring you with us on Social Media, I think many of the group will remember this pilgrimage for the rest of their lives. It was a challenging but profoundly rewarding journey to the Land of our Lords' birth, life, death and resurrection. I am sure that any of the pilgrims would be delighted to share their experiences with you! Fr Tom.

**INCLUSION FOR ALL: AN INVITATION TO ALL LGBT+ CATHOLICS.** Bishop Declan wishes to express pastoral care and concern for our Catholic LGBT+ community and so has asked St Nicholas of Tolentino Church (Lawford's Gate, Bristol BS5 0RE) to celebrate a series of Masses for this community and their friends and family and all who wish to take part. The intention is not to isolate, but rather to ensure a warm welcome and to integrate this community into Church. The first Mass launching this ministry will be on March 17th at 3.00pm - all are welcome.

## YEAR OF PRAYER

As we prepare to journey into the diocesan *Year of Prayer*, Fr Christopher from the Diocese's Department for Adult Education and Evangelisation shares these reflections with us.

### **EIGHTH SUNDAY OF ORDINARY TIME**

An unfortunate trait of the human condition is our capacity to quickly make judgements about others. Seeing the faults of others seems to be much easier than seeing the faults within ourselves. My desire for status can lead me to diminish others, to want to correct them or highlight another person's flaws.

Jesus doesn't deny that people have failings, but he invites me to look to my own blind spots first. This week, each of us is being invited to acknowledge our own weakness first and then see others with greater compassion and love.

## SAINT OF THE WEEK

### St Frances of Rome

Frances was born in Rome to a wealthy but pious family. When she was 11, she wanted to be a nun, but her parents forced her to marry Lorenzo Ponziani, commander of the papal troops of Rome. Although the marriage had been arranged, it was a happy one. Frances devoted her time to the poor of Rome and founded the Olivetan Oblates of Mary, a confraternity of pious women.

In 1925, Pope Pius XI declared her the patron saint of automobile drivers because of a legend that an angel used to light the road before her with a lantern when she travelled, keeping her safe. She is also a patron saint of widows.
